Subject: Gov. & Children -Picnic honoring MS Pub.Officials,Com.Coll.Offs.,& HS Offs.
Place:Ole Miss

10/26/01 Gov. rec.'d invitation from Chancellor Robert Khayat, Provost Carolyn Ellis Staton, and Dr. Andrew Mullins to attend a brunch (changed to picnic per Boyd from 11:00a.m. to 4:00p.m.) honoring MS Public Officials, Community College Officials, & High School Officials.

Gov. said he wanted to go to this. Staff didn't seem to think he would.

He will have to go to this then to Tupelo, then back to Oxford for the Game, and Stacey indicated that she had some other things lined up for him in Tupelo before the Chilli Supper.

Jill is ckg. w/ Gov.

10/29/01 Rec.'d Gov.'s response back "YES". Jill called Chancellor's Office and spoke w/ Patricia Huggens @ 915-7318. She confirmed that all staff are invited to this picnic and to the Game! :) She also said that it's fine for Gov. to bring his children. :) She said that each staff member will need to call her to confirm that they are coming and to let her know how many tickets each staff member will need. She said the Gov. generally has about 4 Sec. people w/ him and to let her know how many of them will be coming and how many tickets they will need. I called Rusty to let him be aware of this.
